

THE SPRUNG CONNECTION

Sharing Projects, Expertise, and Solutions Across the Memorial Industry

LANDMARK PROJECT

HONORING TRADITION THROUGH EXCEPTIONAL CRAFTSMANSHIP

The United States Merchant Marine Academy Pavilion in Kings Point, New York, is another example of the craftsmanship and project expertise that define **The Sprung Family of Companies**. Designed to honor the Academy's proud heritage and those who have served our nation, the pavilion stands as a lasting symbol of service, tradition, and excellence.

From planning and fabrication to logistics and installation, our team worked closely with project partners to deliver every detail with precision and professionalism. For nearly 100 years, **The Sprung Family of Companies** has helped clients bring meaningful memorial and commemorative projects to life through exceptional craftsmanship, dependable service, and experienced project management.

For this project, The Sprung Family of Companies provided comprehensive services including:

- Project Management
- Design Collaboration
- Fabrication
- Logistics Coordination
- Professional Installation
- Restoration Services

A MESSAGE FROM THE PRESIDENT

This is the inaugural edition of The Sprung Connection.

This newsletter is designed to keep you informed about the projects, innovations, and craftsmanship that define The Sprung Family of Companies. In each issue, we'll share project highlights, company news, and industry insights while showcasing our commitment to quality and excellence.

Thank you for your continued trust and partnership.

Adam Sprung - President

LOOKING AHEAD

We look forward to sharing more of the work that helps preserve memories, honor lives, and strengthen the communities we serve. If you're planning an upcoming memorial or restoration project, we'd welcome the opportunity to discuss how The Sprung Family of Companies can help.
